

Team Neutrino

Iowa Regional

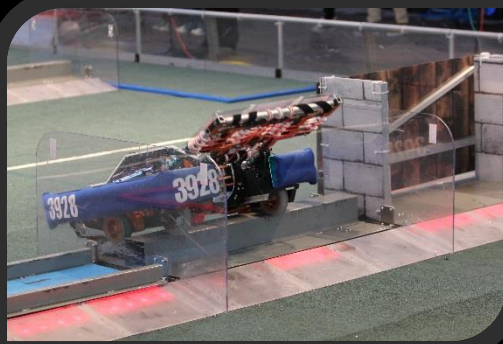

Public Relations

In the pits, team members discussed with various judges about our robot, business plan, and team structure.

Scouting

Members practiced scouting on Thursday, then scouted all day Friday and Saturday. Friday night they had a scouting meeting in preparation for alliance selections!

Qualification Rounds

On Friday and Saturday, Team Neutrino competed in ten qualification matches. We had a lot of fun as we watched our robot cross and breach defenses.

Alliance Selection & Playoffs

Team Neutrino competed in the semi-final round on the 7th seeded alliance with alliance partners Team #167, Children of the Corn, and Team #3026, Orange Crush.

Chairman's Presentation

On Friday afternoon, the Chairman's team presented to judges about our team, outreach, and sustainability. Team Neutrino also hosted the first ever Iowa Regional Chairman's Exchange!
