

Team Neutrino

July-August

Mechanical Camp

Team Neutrino had a Mechanical camp for new and returning members of the team, where students were taught how to use machines at Boyd Lab.

2017

4th of July Parade

Team Neutrino participated in the 4th of July parade, where we showed off the robot to the community to show the robot and spread the message of FIRST!

Marketing Camp

Many Neutrinos attended a marketing camp, where they learned what goes on behind the scenes in the non-technical world.

Iowa State Fair

Team Neutrino had the opportunity to team up with teams 4646 ASAP and 525 Swartdogs to perform a stage act! We also had a booth where we got to demonstrate our robot, and tell people how they can get involved in FIRST.

Coming Next Time: Offseason Competitions in Minnesota and Missouri!
