

# Team Neutrino

## World Championships

### Robot

Along with being the 7th seed alliance captains, we were ranked 9th out of 68 teams in the Archimedes Division.

Team Neutrino finished as quarterfinalists, losing to the 2nd seed alliance.

### Champs Conferences

Team members had the opportunity to attend educational conferences regarding subjects such as scouting, programming and CAD to benefit the team in the future.

### Bart Kamen Memorial Scholars

Team member Rucha Kelkar was named a Dr. Bart Kamen Memorial FIRST Scholar last month. At champs, she got to meet with the scholarship committee including the founder of FIRST, Dean Kamen.

### Students Ambassadors

Members of Team Neutrino served as students ambassadors and showed special FIRST guests around the event, including John Deere representatives.
