

Team Neutrino

July

4th of July Parade

This year, it was really fun to have last year's and this year's robot in the City of Ames 4th of July parade. The crowd enjoyed playing catch with our Aerial Assist robot.

Jr. FLL: The Brickers

The Brickers are a Jr. FLL team that Tianxin mentored this July. They built a model of a science center exhibit about motion and made a poster. Our mentorship of The Brickers helped us further our goal of spreading STEM throughout the community.

Story County Fair

To give back to the 4H community, we volunteered to host two of their buildings at the Story County Fair. While we were there, we were able to spread FIRST influence.
