

TEAM NEUTRINO

Awards 2021 Newsletter

Regional Chairman's Award

For the first time since 2017, Team Neutrino is proud to have been recognized as our region's Chairman's Award winner! As the most prestigious award, it recognizes exceptional teams in the areas of community outreach, sustainability, and passion for STEM. Now, 3928 is competing for the Championship Chairman's Award.

Infinite Recharge at Home Winner

This year, Team Neutrino competed in the Infinite Recharge at Home Nickel Group with 29 other teams. Because of hard work from Team Neutrino members and mentors, alongside the tremendous support from our sponsors, Team Neutrino placed first in the our group (15th globally!) and won the Autonomous Award.

At home Challenges Semi-Finalists

For the 2021 season *FIRST* offered 2 new at-home challenges for teams: the Game Design Challenge and the Innovation Challenge. Team Neutrino excelled in both challenges, winning a semi-finalist ranking and placing among the top 10% of teams in each category. The team is proud to have quickly adapted to these new awards!

Dean's List Finalist

This season, Team Neutrino nominated Quinn Margrett for the Dean's List Award for his leadership and commitment to the team. Quinn was awarded the Dean's List Finalist Award at the Midwestern Plains Region, and is now competing for the Championship Dean's List Award. We are honored to have Quinn on our team!
